

Pre Employment Medical Examination Programme

Certificate of Accreditation

**This Certificate is Awarded to
Galinos Medical
Clinic Inc**

This Clinic is accredited by the **Assuranceforeningen Skuld (Gjensidig)** known as the **SKULD SCHEME** to carry out Medical Examinations in accordance with the Club's recommended protocols.

The purpose of the examination is to assess the medical fitness of prospective and existing crew of ships owned or managed by those members who belong to the Club's Employment Medical Examination Programme.

Date: 1st April 2024
